

## **APsystems Australia & New Zealand Promotion Program Terms and Conditions**

### **Eligibility**

The promotion program is valid from October 1 through November 31, 2018. The program is open to all distributors and installers who purchase YC600 microinverters from APsystems.

### **Rules**

Once you place your order ( $\geq 12$  pcs YC600 microinverters) from APsystems, you can request one free YC600 microinverter and one free ECU. We will send you the free YC600 and ECU with your order.

The minimum order is 12 pcs YC600 microinverter, and 12 pcs YC600 is considered as a unit to calculate the number of free YC600 microinverters and ECUs. For example, an order of 30 pcs YC600 would qualify for ONLY 2 pcs free YC600 microinverters and 2 free ECUs.

The number of claimed free YC600 microinverters will be based on purchase quantity of each order, and the purchase quantities of each order is not cumulative. For example, if you make 2 orders and each order is 18 pcs YC600, you will receive 1 free YC600 and 1 free ECU each time, for ONLY 2 pcs free YC600 microinverters and 2 free ECUs in total (not 3 YC600 and 3 ECU).

### **APsystems Reservation of Rights**

All rights reserved. APsystems reserves the rights to disqualify participants at any time and at its discretion. By participating in the offer, participants agree to be bound by these terms and conditions and the decisions of APsystems which are final and binding, including any decisions concerning any violation or non-satisfaction of these terms and conditions.
