

## **APsystems Australia & New Zealand Promotion Program Terms and Conditions**

### **Eligibility**

The program is open to all distributors and installers who purchase YC600 microinverters from APsystems.

### **Rules**

Once you place your order ( $\geq 6$  pcs YC600 microinverters) from APsystems, you can request one free ECU-R. We will send you the free ECU-R with your order. The minimum order is 6 pcs YC600 microinverter, and 6 pcs YC600 is considered as a unit to calculate the number of free ECU-R. For example, an order of 15 pcs YC600 would qualify for ONLY 2 free ECU-R. The number of claimed free ECU-R will be based on purchase quantity of each order, and the purchase quantities of each order are not cumulative. For example, if you make 2 orders and each order is 9 pcs YC600, you will receive 1 free ECU-R each time, for ONLY 2 free ECU-R in total (and 3 ECU-R).

### **APsystems Reservation of Rights**

All rights reserved. APsystems reserves the rights to disqualify participants at any time and at its discretion. By participating in the offer, participants agree to be bound by these terms and conditions and the decisions of APsystems which are final and binding, including any decisions concerning any violation or non-satisfaction of these terms and conditions.
